Hi there, Looking for some advice please from other Samsung 6000 series owners. I have just purchased a UE40F6400 from Electrical123. I have built.

Forget metallic bezels or aluminium - you won t find such materials on affordable televisions - and instead revel in the Samsung UE40F6400 s.

SmartSamsungTV aims to be the number one resource for all things to do with the amazing technology presented to us by Samsung and their SmartTV's featuring
